Junior Auxiliary Prayer

Send us, O God, as Thy messengers to the hearts without a home, to lives without love, to the crowds without a guide. Send us to the children whom none have blessed, to the famished whom none have visited, to the fallen whom none have lifted, to the bereaved whom none have comforted.

Kindle Thy flame on the altars of our hearts, that others may be warmed thereby; cause Thy light to shine in our souls, that others may see the way; keep our sympathies and insight ready, our wills keen, our hands quick to help others in their need.

Grant us clear vision, true judgment, with great daring as we seek to right the wrong; and so endow us with cheerful love that we may minister to the suffering and forlorn even as Thou wouldst. May the blessing of God Almighty, the Father, the Son and the Holy Spirit, rest upon us and upon all our work. May He give us light to guide us, courage to support us, and love to unite us now and forever more.

-Amen

These last two years have been a time of enormous challenge, change and opportunity. We have reconfigured our lives as COVID-19 forced us to be socially distant and members adapted to this new world by virtually connecting. We have changed the way we interact, the way we conduct meetings, projects, and fundraisers. We have even adjusted the ways we recruit new members.

Following two years of social distancing and virtual connectivity, NAJA provided specialized training at in-person AEC and Area Meetings. Since 1941, NAJA's mission has been to provide support, resources, and specialized training to its local Chapters so they could better serve their communities. This Directory is provided to be a resource to support your volunteerism, broaden networking, and grow your friendships among JA members, as we collectively move forward.
